

WOODEN DOLLHOUSE FSC

The wooden dollhouse from Little Dutch is the perfect place for children to unleash their creativity. This beautiful house comes in a white color with a pink roof and features wooden shutters that can be opened and closed. The roof can also be opened for extra play fun, and a part of the roof can be transformed into a garden. The interior of the house is very detailed and decorated with beautiful illustrations, both inside and outside. Jim and Rosa, two peg dolls, are included with the dollhouse so children can start playing right away. The house includes a living room, kitchen, bathroom, a bedroom for mom and dad, and a children's room. Each room is furnished with matching furniture and accessories, providing a realistic and attractive play experience. This dollhouse provides hours of playtime and can be further expanded with additional accessory sets that are available. It is a great way to let children enjoy their imagination and creativity.
