

RAINBOW ABACUS FOREST FRIENDS FSC

Count from 1 to 10, in all colours of the rainbow! This adorable rainbow-shaped abacus offers a delightful way to make counting fun. Slide the colourful beads from one side to the other, and explore the different hues of blue, yellow and brown. As your little one plays and develops a basic understanding of counting, the fine motor skills are trained as well. Older children can practice their maths by doing counting exercises on the abacus. A great way to play and learn at the same time!
