

SHAPE SORTER FOREST FRIENDS FSC

Find the opening that matches the shape of the mushroom! And where do the acorn and leaves go? This wooden shape sorter is a creative sorting game that teaches your little one to recognise and match shapes and colours, and fine-tunes hand-eye coordination. The box is made of sturdy wood and illustrated with a lovely scene from Forest Friends. The shapes are designed for little hands to easily grasp and push through the correct opening. This classic toy is both educational and fun at the same time!
